Player Expectations

The purpose of the Lapeer Soccer Club is to create an environment where each participating player can learn and grow both as a player and as a person. To assist in creating that environment, we ask that players:

1. Make sure your school-work is done so that you don't have to miss a practice or game due to lack of planning.
2. Support the **positional** and **playing-time** decisions of the coaches.
3. Call or email the coach, in advance, if there is a scheduling conflict with a game or practice.
4. Remember, the coach is spending time away from their family to be part of your life. Please respect the coach and the coach's time.
5. To ensure a safe and positive learning environment, all players are to follow these procedures at all games:
 - Bring **BOTH** jerseys, your shorts, cleats, shinguards, socks, and water to all games.
 - **DO Root positively** for your teammates (clap, say, "good job").
DO NOT Coach or Instruct other players (i.e., "boot it", "shoot", "move up", etc). You may confuse your teammate by telling them something that contradicts the instructions of the coach. Players also find it distracting to have different voices talking to them at the same time. Players need to hear their coach's voice..
 - Stay in the appropriate team area at all times during games. Once players arrive on the bench for pre-game, they are in the hands of the coaches until released after the post-game talk. It is against the rules for players to be outside the designated team area.
 - **DO NOT yell at officials** or undermine the officials during or after a game (i.e., "Come on ref!" "Foul!" etc...). Our coaches constantly reinforce the idea that "calls of officials need to be respected". If something needs to be said to the official, let the coach address it.
 - **24-hour rule:** Players should wait to approach the coach for 24 hours after a soccer match to **set up a meeting** to address individual issues. Coaches have many things to think about after a match and this is a difficult time to address individual player issues. Players or parents may call or email the coach the next day to **set up a meeting** to address any issues they may have. If after setting up a meeting and talking to the coach you still have issues not addressed, please talk to one of the Directors.
6. Enjoy the experience!
